Brooklyn By Colm Toibin

Colm Tóibín's *New York Times* bestselling novel—now an acclaimed film starring Saoirse Ronan and Jim Broadbent nominated for four Academy Awards including Best Picture—is “a moving, deeply satisfying read” (*Entertainment Weekly*) about a young Irish immigrant in Brooklyn in the early 1950s.

“One of the most unforgettable characters in contemporary literature” (*Pittsburgh Post-Gazette*), Eilis Lacey has come of age in small-town Ireland in the hard years following World War Two. When an Irish priest from Brooklyn offers to sponsor Eilis in America, she decides she must go, leaving her fragile mother and her charismatic sister behind.

Eilis finds work in a department store on Fulton Street, and when she least expects it, finds love. Tony, who loves the Dodgers and his big Italian family, slowly wins her over with patient charm. But just as Eilis begins to fall in love, devastating news from Ireland threatens the promise of her future.

Author “Colm Tóibín...is his generation’s most gifted writer of love’s complicated, contradictory power” (*Los Angeles Times*). “Written with mesmerizing power and skill” (*The Boston Globe*), *Brooklyn* is a “triumph...One of those magically quiet novels that sneak up on readers and capture their imaginations” (*USA TODAY*).

Amazon.com Review

Amazon Best of the Month, May 2009: Committed to a quiet life in little Enniscorthy, Ireland, the industrious young Eilis Lacey reluctantly finds herself swept up in an unplanned adventure to America, engineered by the family priest and her glamorous, "ready for life" sister, Rose. Eilis's determination to embrace the spirit of the journey despite her trepidation--especially on behalf of Rose, who has sacrificed her own chance of leaving--makes a bittersweet center for *Brooklyn*. Colm Tóibín's spare portrayal of this contemplative girl is achingly lovely, and every sentence rings with truth. Readers will find themselves swept across the Atlantic with Eilis to a boarding house in Brooklyn where she painstakingly adapts to a new life, reinventing herself and her surroundings in the letters she writes home. Just as she begins to settle in with the help of a new love, tragedy calls her home to Enniscorthy, and her separate lives suddenly and painfully merge into one. Tóibín's haunted heroine glows on the page, unforgettably and lovingly rendered, and her story reflects the lives of so many others exiled from home. --*Daphne Durham*

From Publishers Weekly

SignatureReviewed by Maureen HowardColm Tóibín's engaging new novel, *Brooklyn*, will not bring to mind the fashionable borough of recent years nor Bed-Stuy beleaguered with the troubles of a Saturday night. Tóibín has revived the Brooklyn of an Irish-Catholic parish in the '50s, a setting appropriate to the narrow life of Eilis Lacey. Before Eilis ships out for a decent job in America, her village life is sketched in detail. The shops, pub, the hoity-toity and plainspoken people of Enniscorthy have such appeal on the page, it does seem a shame to leave. But how will we share the girl's longing for home, if home is not a gabby presence in her émigré tale? Tóibín's maneuvers draw us to the bright girl with a gift for numbers. With a keen eye, Eilis surveys her lonely, steady-on life: her job in the dry goods store, the rules and regulations of her rooming house—ladies only. The competitive hustle at the parish dances are so like the ones back home—it's something of a wonder I did not give up on the gentle tattle of her story, run a Netflix of the feline power struggle in Claire Booth Luce's *The Women*. Tóibín rescues his homesick shopgirl from narrow concerns, gives her a stop-by at Brooklyn College, a night course in commercial law. Her instructor is Joshua Rosenblum. Buying his book, the shopkeeper informs her, At least we did that, we got Rosenblum out. You mean in the war?His reply when she asks again: In the holocaust, in the *churben*.The scene is eerie, falsely naïve. We may accept what a village girl from Ireland, which remained neutral during the war, may not have known, but Tóibín's delivery of the racial and ethnic discoveries of a clueless young woman are disconcerting. Eilis wonders if she should write home about the Jews, the Poles, the Italians she encounters, but shouldn't the novelist in pursuing those postwar years in Brooklyn, in the Irish enclave of the generous Father Flood, take the mike? The Irish vets I knew when I came to New York in the early '50s had been to that war; at least two I raised a glass with at the White Horse were from Brooklyn. When the stage is set for the love story, slowly and carefully as befits his serious girl, Tóibín is splendidly in control of Eilis's and Tony's courtship. He's Italian, you see, of a poor, caring family. I wanted to cast *Brooklyn*, with Rosalind Russell perfect for Rose, the sporty elder sister left to her career in Ireland. Can we get Philip Seymour Hoffman into that cassock again? J. Carol Naish, he played homeboy Italian, not the mob. I give away nothing in telling that the possibility of Eilis reclaiming an authentic and spirited life in Ireland turns *Brooklyn* into a stirring and satisfying moral tale. Tóibín, author of *The Master*, a fine-tuned novel on the lonely last years of Henry James, revisits, diminuendo, the wrenching finale of *The Portrait of a Lady*. What the future holds for Eilis in America is nothing like Isabel Archer's return to the morally corrupt Osmond. The decent fellow awaits. Will she be doomed to a tract house of the soul on Long Island? I hear John McCormick take the high note—*alone in the gloaming with the shadows of the past*—as Tóibín's good girl contemplates the lost promise of Brooklyn.Maureen Howard's *The Rags of Time*, the last season of her

quartet of novels based on the four seasons, will be published by Viking in October.

Tóibín's brief novel, following his bravura rendering of the life of Henry James in "The Master," seems modest at first. A diligent young woman with few opportunities in nineteen-fifties Ireland is packed off by her family to Brooklyn, where she works in a department store, goes to church and night school, and acquires a boyfriend, before a family crisis presents her with a stark choice between her new life and her old one. Within these confines, Tóibín creates a narrative of remarkable power, writing with a spareness and intensity that give the minutest shades of feeling immense emotional impact. Seen through his protagonist's cautious eyes, even hackneyed tropes of Brooklyn life, such as trips to Ebbets Field and Coney Island, take on a subtle strangeness. Purging the immigrant novel of all swagger and sentimentality, Tóibín leaves us with a renewed understanding that to emigrate is to become a foreigner in two places at once.
