Handbook of Cancer Chemotherapy From Brand: Lippincott Williams n Wilkins

The Seventh Edition of this pocket reference is a practical, disease-focused guide to the best current medical practice in cancer chemotherapy. In easy-to-follow outline format, the book provides complete coverage of the principles of rational chemotherapy, the chemotherapeutic and biotherapeutic agents available, the treatment of specific cancers, and selected aspects of supportive care. Emphasis is on the indications, dosage/schedule, potential toxicities, and safe administration of the drugs and their use in treating specific malignancies.

This edition describes seventeen new chemotherapeutic agents, with particular attention to molecular targeted agents. Updated chapters on individual cancers and supportive care provide state-of-the-art treatment recommendations.

Editorial Review

Review

Doody's Book Review Service, Mark Agulnik, MD, Northwestern University Feinberg School of Medicine -
- "In a very systematic way, the book discusses basic principles in chemotherapy and then focuses, disease by disease, on the therapies used to treat different human cancers. This comprehensive manual is a great resource that is easy to use and highly accessible for all."-Doody's Book Review Service (Weighted Numerical Score: 100, 5 Stars)

Users Review

From reader reviews:

Linda Manning:

What do you with regards to book? It is not important along with you? Or just adding material when you want something to explain what the ones you have problem? How about your extra time? Or are you busy man? If you don't have spare time to perform others business, it is make one feel bored faster. And you have free time? What did you do? Every individual has many questions above. They must answer that question due to the fact just their can do that. It said that about e-book. Book is familiar in each person. Yes, it is suitable. Because start from on pre-school until university need this particular Handbook of Cancer Chemotherapy to read.

Kenneth Porter:

Information is provisions for folks to get better life, information these days can get by anyone with everywhere. The information can be a information or any news even a concern. What people must be consider if those information which is inside the former life are hard to be find than now's taking seriously which one is suitable to believe or which one the resource are convinced. If you obtain the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen within you if you take Handbook of Cancer Chemotherapy as the daily resource information.

Laura Hill:

This book untitled Handbook of Cancer Chemotherapy to be one of several books this best seller in this year, that is because when you read this e-book you can get a lot of benefit onto it. You will easily to buy this particular book in the book store or you can order it by using online. The publisher of the book sells the e-book too. It makes you quicker to read this book, since you can read this book in your Mobile phone. So there is no reason for your requirements to past this e-book from your list.

Vanessa Gilliam:

Do you like reading a publication? Confuse to looking for your best book? Or your book had been rare? Why so many problem for the book? But almost any people feel that they enjoy to get reading. Some people likes studying, not only science book but also novel and Handbook of Cancer Chemotherapy or even others sources were given understanding for you. After you know how the fantastic a book, you feel want to read more and more. Science reserve was created for teacher or perhaps students especially. Those textbooks are helping them to put their knowledge. In other case, beside science reserve, any other book likes Handbook of Cancer Chemotherapy to make your spare time much more colorful. Many types of book like this.
