### Editorial Review

From the Back Cover

#### Your Indispensable Guide to IFRS Compliance

International Financial Reporting Standards (IFRS) are now in use in over 120 jurisdictions worldwide, including the European Union and most countries in Asia, the Middle East and South America. In the United States companies have been permitted to use them by the Securities and Exchange Commission since 2007.

With further refinements to IFRS by the International Accounting Standards Board (IASB) resulting in changes on a yearly basis, and given the now virtually unstoppable momentum worldwide to adopt (or, in some cases, adapt) IFRS, mastery of this knowledge is a necessity for all preparers of financial statements.

*Wiley IFRS 2016* provides a complete and up-to-date explanation of all IFRS requirements, coupled with examples of how to apply the rules in complex, real-world situations. It can be used to train accounting staff, and to serve as a reference guide during the implementation of IFRS and preparation of IFRS-based financial statements. *Wiley IFRS 2016* is equally valuable for preparers, auditors, and users of financial reports.

Key concepts are illustrated throughout, using worked examples and selections from actual published financial statements and integrated discussions of major ongoing IASB projects that may have significant impact on readers' responsibilities over the coming year.

#### About the Author

**PKF International** is a global network of legally independent firms bound together by a shared commitment to quality, integrity and the creation of clarity in a complex regulatory environment.

With offices in 440 cities, PKF operates in 150 countries across 5 continents and specialises in providing high quality audit, accounting, tax, and business advisory services to international and domestic organisations in all of their markets.

PKF International member firms have an aggregate fee income of \$2.52 billion, and the network is a member of the Forum of Firms - an organisation dedicated to consistent and high quality standards of financial reporting and auditing practices worldwide.

### Users Review

#### From reader reviews:

##### Nancy Sena:

Book is to be different per grade. Book for children until adult are different content. To be sure that book is very important normally. The book WILEY IFRS 2016: Interpretation and Application of International Financial Reporting Standards was making you to know about other knowledge and of course you can take more information. It is very advantages for you. The reserve WILEY IFRS 2016: Interpretation and Application of International Financial Reporting Standards is not only giving you far more new information but also being your friend when you sense bored. You can spend your own spend time to read your e-book.

Try to make relationship using the book WILEY IFRS 2016: Interpretation and Application of International Financial Reporting Standards. You never truly feel lose out for everything if you read some books.

**Edgar Workman:**

Typically the book WILEY IFRS 2016: Interpretation and Application of International Financial Reporting Standards will bring one to the new experience of reading a book. The author style to explain the idea is very unique. In the event you try to find new book to learn, this book very acceptable to you. The book WILEY IFRS 2016: Interpretation and Application of International Financial Reporting Standards is much recommended to you to see. You can also get the e-book from your official web site, so you can easier to read the book.

**Pamela Jernigan:**

As we know that book is essential thing to add our understanding for everything. By a publication we can know everything we wish. A book is a group of written, printed, illustrated or maybe blank sheet. Every year had been exactly added. This e-book WILEY IFRS 2016: Interpretation and Application of International Financial Reporting Standards was filled regarding science. Spend your spare time to add your knowledge about your scientific research competence. Some people has distinct feel when they reading any book. If you know how big benefit of a book, you can experience enjoy to read a reserve. In the modern era like today, many ways to get book that you simply wanted.

**Robert Jackson:**

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their pastime. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this WILEY IFRS 2016: Interpretation and Application of International Financial Reporting Standards can make you really feel more interested to read.
