The Reverse Ultimatum: A Step-By-Step Plan To Make Him Realize YOU'RE the ONE He Wants To Marry By Mimi Tanner

Can you get him to commit to you... without saying a word? Yes, you can! The commitment will be "his idea" - as a direct result of your new charming ways! That's what the Reverse Ultimatum (tm) will do for you.

The Reverse Ultimatum turns ultimatums inside out! Instead of issuing a verbal ultimatum ("Commit to me or I'm leaving you"), a Reverse Ultimatum takes the opposite approach. Instead of pressuring your partner, the Reverse Ultimatum uses human nature to inspire the one you love to WANT to be committed to you.

The purpose of an ultimatum is to cause your complacent man to recognize that he needs to take action to claim you – or else lose you!

But with a Reverse Ultimatum, there will be no confrontation. You won't insult him or make demands when he's unwilling to surrender. When you follow the step-by-step advice in the Reverse Ultimatum, it will be HIS idea to move toward commitment, instead of your outright suggestion.

When you use the Reverse Ultimatum, it's very important to do a complete and careful reading (or two)! Author Mimi Tanner explains the reasoning behind each specific action with notable clarity, and is your virtual hand-holder throughout the step-by-step methods! While the book refers to relationships between men and women, these methods are intended for all romantic relationships.

Mimi Tanner is clearly passionate about her topic, and approaches it with a depth that surpasses what one expects from most "how to" books on dating and relationships. It's rare that a non-fiction book is a real "page turner," but the Reverse Ultimatum holds your interest from start to finish. It even includes an in-depth blueprint on how to charmingly propose marriage, if you're so inclined!

For people in all kinds of romantic involvements, the Reverse Ultimatum is a powerful and inspiring guide to awakening emotion, desire, and commitment in the person you love.
