She knew he was trouble from the moment she first laid eyes on him, but that doesn't stop Macy from taking a wild ride with Ghost when he invites her along. Something about him intrigues her. Just by hanging out with him, though, she's drawn into a scandal she doesn't see coming and faces a decision that might alienate him and several people she holds dear.

Timing is everything...and theirs couldn't be more off.

PLEASE NOTE: This is a short prequel to Leave Me Breathless that takes place during the events of Rock Me. It's not meant to stand alone.
