**Single Best Answers in Surgery, Second Edition (Medical Finals Revision Series)** By Darren K Patten, David Layfield, Shobhit Arya, Daniel R Leff, Paraskevas A Paraskeva

The second edition of **Single Best Answers in Surgery, Second Edition** continues to provide invaluable guidance to this widely used question format, written by authors who understand that detailed explanations accompanying each answer are the key to a successful revision aid.

This book presents more than 500 SBA questions arranged into topic areas as well as a section of random questions for self-testing under examination conditions. A clear discussion of how the correct answer was reached and other options ruled out for every question is given at the end of each section, making this book an excellent learning aid for all stages of undergraduate surgical studies, and particularly during revision for final examinations.
