After Midnight: A Denver Heroes Novel By Kathy Clark

Perfect for fans of Nora Roberts and Karen Robards, Kathy Clark's suspenseful, seductive Denver Heroes series kicks off as a dedicated cop and a beautiful actress get wrapped up in a world of danger and desire.

Aside from the reporter riding along in the passenger seat of his cruiser, it's a typical Saturday night on the job for Sam Morgan of the Denver Police Department. Then shots ring out, and a routine stop involving a pimp and a hooker spirals into senseless violence. Now Sam is lying in a hospital bed, haunted by fleeting memories of the stunning blonde who saved his life—and then just disappeared.

Kate McKinney was hired to play a prostitute on a reality-TV show, not stand around as actual bullets start flying. Unable to shake the feeling that trouble is stalking her, Kate turns to the only man she can trust: the wounded cop whose blue eyes send chills through her body. He doesn't believe she was just playing a role, but the predator hiding in the shadows is all too real—and, as Sam and Kate edge closer to the truth, so is the heat that ignites between them.

Review

***** "The blend of crime, romance and comedy make this book a pleasure to read. A credit to Clark is her ability to switch pace with ease and take us from the breakneck speed and suspense of the mystery to the sensual world of love, lust and desire.

This book is smart, edgy and full of interesting characters that not only entertain but show us the dark side of human nature and how the desire for fame and fortune can lead to venality and a corrupt sense of what is right and wrong." by Angie R. S.

**** "After Midnight" by Kathy Clark is a very exciting romantic thriller with strong, likable characters. This is a very convincing book with realistic, complex characters, detailed and atmospheric settings and a plausible, powerful plot. The action is fast-paced but the author takes time to reveal the people in her novel fully. Clark creates a thrilling adventure that goes in directions you don't expect and which keeps you on the edge of your seat. She portrays tension and fear as well as tenderness and trust."
