Conquer 60 Second Binary Options Trading: A High Probability Technical Blueprint for Success By Matt Duffield

This book provides a 60 second binary options trading strategy developed and refined by the author to capitalize on high probability trading set ups.

The system is as mechanical as it can be so a trader's emotions will not interfere. Instead, an intermediate or advanced trader can use this trading blueprint to attack only when high probabilities are present. This system uses three technical indicators to identify high probability trading opportunities that will provide consistent and reliable income. There are many charts and examples for the reader to fully understand how to trade using the system.

Most importantly, it will provide a fun and engaging system to consistently capture gains on 60 second binary options.
