Kennedy Nightingale has goals. With a full schedule of pre-law classes, a part-time job, extracurricular activities, and corralling her sometimes outrageous, independent, feminist mother, there is no time for romance.

But Kennedy's life is thrown for a loop when hotel fortune heir Jackson Montgomery III sets his sights on her. He is a force to be reckoned with and used to getting exactly what he wants and, right now, he wants Kennedy.

Now, she not only has her mother's antics to contend with, but also a tenacious heir. Giving in to just one date will change the course of everyone's lives.

**Is Kennedy prepared for what lies ahead? Is truth stranger than fiction when Ivy League meets love in all the wrong places?**

*This book is intended for a mature audience, 18+ only.*
