The Invisible Boy By Sally Gardner

When his parents are lost in space, Sam is left, heartbroken, in the care of the horrible Hilda Hardbottom. Then he finds a tiny spaceship in the cabbage patch and meets a little alien called Splodge. How Splodge makes him invisible, and how Sam uses his new talent in his darkest hour, makes a touching and extremely funny story with lovely memorable characters.

Editorial Review

Review

"This is a fun read that easily grabs the attention. The text is full of things that children specifically love - spaceships, tomato ketchup, torches in bed and the rest. Of course, a reader the calibre of Andrew Sachs does the story full justice on the accompanying CD, making it a magical duo indeed!"
