Kenneth W. Starr, Independent Counsel

The Lewinsky scandal is a political-sex scandal emerging from a sexual relationship between United States President Bill Clinton and a then 22-year-old White House intern, Monica Lewinsky. The news of this extra-marital affair and the resulting investigation eventually led to the impeachment of President Clinton in 1998 by the U.S. House of Representatives and his subsequent acquittal on all charges (of perjury and obstruction of justice) in a 21-day Senate trial. This is the findings of Kenneth Starr working as a Independent Counsel.
