## Sympathy Pains By Sharon Sala

From *New York Times* bestselling author Sharon Sala, a reader-favorite novella of romance, second chances and a love that conquers the odds

Marilee Cash waits tables at an anything-but-glamorous truck stop near Amarillo, Texas, and for six months she's gradually been falling for one of her regular customers, Justin Wheeler. Not that she'd ever let him know. Although he's kind and charming, he barely knows her. So when a blizzard strands Justin at the diner, Marilee feels as if she must be dreaming when their pleasant evening becomes a night of passion. But the next morning, Justin is gone—no note, no explanation, no apology.

Justin can't stop thinking about Marilee, but he's too embarrassed by his behavior to try and contact her. Finally, six months later, he finds himself back at the diner—only to find Marilee pregnant with his child. Determined to do the right thing this time, Justin brings Marilee home to meet his parents, but they do not approve of their wealthy rancher son bringing home a truck-stop waitress. And when Justin's mother starts digging into Marilee's past, she uncovers a truth that could threaten Justin and Marilee's love forever...

### Editorial Review

### Users Review

#### From reader reviews:

#### Elizabeth Wiggins:

Book is to be different for every single grade. Book for children until adult are different content. As it is known to us that book is very important for all of us. The book Sympathy Pains seemed to be making you to know about other expertise and of course you can take more information. It is quite advantages for you. The guide Sympathy Pains is not only giving you far more new information but also for being your friend when you feel bored. You can spend your own personal spend time to read your book. Try to make relationship with all the book Sympathy Pains. You never experience lose out for everything if you read some books.

#### Jane Kim:

Nowadays reading books be a little more than want or need but also work as a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want send more knowledge just go with education and learning books but if you want experience happy read one using theme for entertaining like comic or novel. Often the Sympathy Pains is kind of guide which is giving the reader unpredictable experience.

#### John Stewart:

Information is provisions for folks to get better life, information today can get by anyone at everywhere. The information can be a know-how or any news even restricted. What people must be consider when those information which is inside former life are challenging be find than now could be taking seriously which one is suitable to believe or which one the resource are convinced. If you find the unstable resource then you understand it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take Sympathy Pains as your daily resource information.

#### Edward Sullivan:

What is your hobby? Have you heard that will question when you got learners? We believe that that query was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person just like reading or as examining become their hobby. You have to know that reading is very important and book as to be the factor. Book is important thing to add you knowledge, except your own personal teacher or lecturer. You get good news or update regarding something by book. A substantial number of sorts of books that can you take to be your object. One of them is niagra Sympathy Pains.
