AlterWorld (LitRPG: Play to Live. Book #1) By D. Rus

**A page-turning debut in the tradition of Nam Heesung, *Legendary Moonlight Sculptor*, and Ernest Cline, *Ready Player One*. Bestseller #1 in Russia for years 2013, 2014 and 2015. Bestseller #1 at Audible in 2016. Translated to English, German, Polish and Czech languages.**

A new pandemic - the perma effect - has taken over Earth of the near future. Whenever you play your favorite online game, beware: your mind might merge with the virtual world and dump its comatose host. Woe be to those stuck forever in Tetris! And still they're the lucky ones compared to those burning alive eternally within the scorched hulls of tank simulators.

But some unfortunates - the handicapped and the terminally ill, shell-shocked army vets, wronged crime victims and other society misfits - choose to flee real life willingly, escaping to the limitless world of online sword and sorcery MMORPGs.

Once a seasoned gamer and now a terminal cancer patient, Max grasps at this final chance to preserve his life and identity. So he goes for it - goes for the promise of immortality shared with a few trusty friends and the woman he loves. Together they roam the roads of AlterWorld and sample its agony and ecstasy born of absolute freedom.

## **Editorial Review**

### **About the Author**

. Rus is a young Russian author whose books took the Russian literary market by storm in 2013. AlterWorld - the first novel of his Play to Live series - made him a bestselling author overnight as critics now credit him with single-handedly creating a new science fiction genre: LitRPG. Set in the virtual reality of MMORPG - Massively Multiplayer Online Role-Playing Games - his books tell stories of real people who'd become stuck in the game and are forced to follow its rules while preserving their integrity and fighting to make their new world a better place. The five books of the series have created a huge following as more authors followed suit, making LitRPG the latest bestselling Russian genre that merges science fiction, fantasy and gaming conventions. D. Rus has been nominated for Start, one of Russia's prestigious literary prizes for the best debut science fiction novel. The first two novels of the Play to Live series - AlterWorld and The Clan - have been translated into English, and talks are under way to have the rest of the series published on Amazon.
