From the Author

If the student feels the lessons are too difficult or does not enjoy them for any reason, then perhaps now is the time for re-evaluation and for deciding whether Dragonology really ought to become one's life's work!"

From the Inside Flap

(Found inside an envelope fastened to the inside front cover is a facsimile of Dr. Ernest Drake's school report card from St. Leonard's Preparatory School in Leonard's Lea, Sussex, when young Ernest Drake was age 10 years and 11 months in the year 1848. The Headmaster's comment has proven to be prescient: "Ernest has the ability to go far, as long as he is riding on the back of one of his beloved dragons!!")
