Editorial Review

Review

Awesome Animal Hats! Every single hat is a winner. They are very unique and just adorable. The instructions are clearly written and the fit is good. The hats are crocheted in the round using standard worsted weight yarn and they work up quickly. Lots of excellent photos and wonderful designs. -- *Olive's Mom*

Correction to Shark Hat: Dear Crocheters, in the original version of this book, the Ear Flap instructions were missing for the Shark Hat. Please note that the Ear Flaps are crocheted the same for every ear-flap hat. Simply follow the instructions for marking the location and working any ear flaps, for example, see page 27 for the Flamingo. The book has now been corrected. Updated versions can be identified on the back of the Title Page as Edition 2.0.
