## The Lost Art of Falling in Love By Kate Donovan

He can tame a wilderness...but can he protect one willful city girl? Gracie is fully supportive of her friends' series of how-to videos to preserve "lost arts"-until they ask her to star in The Lost Art of Tying a Bow Tie. It's not that she can't tie one, it's the man on the receiving end of her skilled fingers. Mitch McKenna's rugged, shirtless demonstrations of his prodigious survival skills have set the Internet on fire. He and city-girl Gracie have often clashed over his domineering, he-man ways. But when he shows up clean-shaven and dressed in a tux, he takes her breath away. Their scorching-hot chemistry lights up the set-and the glorious nights that follow at his wilderness hideaway. But he is alarmed by the profusion of online perverts responding to Gracie's beauty, and she balks as his protective instincts take over. Their quarrel sends her running back to the city, leaving Mitch with a grim decision. Protect her the only way he knows how and lose her love. Or do it her way, and risk losing her forever. Warning: Not a fair fight. Not even close.
