Editorial Review

From [Booklist](#)

The Two-Faced Ring imprisons powerful Darke warrior wizards and can only be destroyed by burning in the great alchemical Fyre, a fire forbidden for hundreds of years because it nearly destroyed the castle and all in it. Chief Alchemist Marcellus Pye secretly reignites the Fyre in preparation for destroying the ring, but the two wizards have escaped their prison, the ring has gone missing, and Princess Jenna and her kingdom are again in great danger from the Darke Domaine. Sage is a master of her created world, paying devoted attention to the smallest detail; the world and the characters in it are as vivid and engaging in this final installment as they have been throughout the Septimus Heap series. Multiple plotlines are nimbly plaited, characters from throughout the series are integrated seamlessly, and the ending is as satisfying as a warm sweater. There is even a thread spun out from an incidental character, tying this set to a forthcoming series called *TodHunter Moon*, something Heap fans—new and old—will anticipate with delight. Grades 5-8. -- Cindy Welch

From the Back Cover

Now that Septimus, Jenna, and Beetle are fourteen years old, they have assumed larger roles in their Magyk al world. Beetle is the Chief Hermetic Scribe of the Manuscriptorium and Jenna will soon be Queen,

but Septimus is still battling the remnants of the Darke Domaine, which will remain until the power of the evil Two-Faced Ring is destroyed forever. To accomplish that, the ancient Alchemie Fyre must be relit—a task that sends Septimus to the very origins of Magyk and Physik, testing both his skills and his loyalties to ExtraOrdinary Wizard Marcia Overstrand and Alchemist Marcellus Pye.

In a journey that encapsulates the entire Septimus Heap series, Septimus continues to discover who he is and expand upon his Magykal power and skills. Fyre weaves together every character from the series and incorporates many of the Magykal places from each book. Written with Angie Sage's distinctive humor and heart, *Fyre* is the grand finale that celebrates the greatest Magyk of all: When the Fyre inside is kindled and when the Time Is Right, anything is possible.
