Editorial Review

Amazon.com Review

The original board book in DK Publishing's My First Word series was *My First Word Board Book*. *My First Truck Board Book* was designed with the same principles in mind... displaying crisp, colorful photographs of objects that kids respond to, with the name of each object clearly identified. First you'll find "Busy trucks," including a snowplow, street sweeper, cement mixer, and garbage truck. Other spreads are "Road builders," "Loaders and lifters," and "Diggers." The book closes with a few simple games--matching close-ups of tires to the machine they go with, and matching the vehicle with the right "young professional," for example. Kids obsessed with trucks won't even know they're on the road to reading! (Baby to preschool)

Review

"With creative use of design, the book is able to introduce 40 trucks on its sturdy cardboard pages." —
