Catholicism For Dummies, 2nd Edition

Catholicism For Dummies is not a catechism or religious textbook, but a casual, down-to-earth introduction for Catholics and non-Catholics. It gives commonsense explanations of Catholic weddings, Baptisms, funerals, Confirmations, and First Communions. You'll also discover other important topics that can help you better understand the Catholic culture--from morality and devotions, worship and liturgy to twenty-first-century issues and questions modern Catholics face. There are more than one billion Catholics in the world, and each one shares a foundational set of basic beliefs and practices that he or she follows. Some of the teachings of Catholicism are thousands of years old, while others are more recent. This intelligent and faithful look at Catholicism will open your eyes to this religion and answer many of the questions you may have about it.

Catholic Mass For Dummies

Throughout the centuries, the liturgy of the Church has taken a variety of regional and historical forms, but one thing has remained constant: the Mass has always been the central form of Catholic worship. *Catholic Mass For Dummies* gives you a step-by-step overview of the Catholic Mass, as well as a close look at the history and meaning of the Mass as a central form of Catholic worship. You'll find information on the order of a Mass and coverage of major Masses including weddings, funerals, holiday services, and holy days of obligation. If you're a Catholic looking to enhance your knowledge of your faith, an adult studying to convert to Catholicism, a CCD instructor, or a non-Catholic who wants to understand the many nuances of the Catholic Mass, this hands-on, friendly guide has you covered.
