**ANGELA: A modern gothic horror novella** By Adam M. Booth

*"I'm struggling to think of a author that uses metaphor more beautifully...his narrative prose is currently unequalled..." - from The Slaughtered Bird*

*"Think Stephen King's Misery, Du Maurier's The Birds and a twist of Single White Female, a thrilling cocktail, masterfully made." - Goodreads review*

*"I left her when she was eight. Just a child. Too young to be alone. I killed myself because I could never atone for the things He made me do. There is something wrong with my family, you see. A fear runs through us, through our blood. A fear that circles above us, shredding the sky and clawing at our hearts, and now, from a deathless realm, I am forced to watch as my lonely daughter is tortured by the life I gave her to endure. No father should see the things I've seen, but then no father should do the things I did.*

*Forgive me Angela."*

**ANGELA**, a bleak and unflinching tale in which we meet a lonely, middle aged woman who must live with the legacy of her family's dark secret, the madness that grows in the absence of love, and a closet full of delicate skeletons.

ANGELA is available as part the collection TERMINAL by the same author.

## Editorial Review

### Review

**"There's a distinct sense of being trapped that bleeds off the digital page with every new chapter. Booth guides the reader into the isolated anguish of his main character in a highly effective way that, at times, is reminiscent of Stephen King's Carrie." - *Obsessive Book Nerd***

**"I'm struggling to think of a author that uses metaphor more beautifully ... his narrative prose is currently unequalled..."**

**"...the book is asking as much of me as I am of it, to the point that a relationship begins to build between the character and the reader."**

**"It's a reviewer's sole purpose to try and pigeon-hole the subject of their article. This is not easy with Adam M Booth. His writing is as distinctive as a signature and while I've read MANY books in my life, I cannot think of anyone that I can adequately compare him to. This, of course, is to his credit. - *From The Slaughtered Bird***

### About the Author

Adam M. Booth is a writer of dark fiction, science fiction, and horror. He is the author of the acclaimed zombie horror, THE END, and his new horror novella, ANGELA. His third book, DRIVE, documenting a night in the life of a serial killer, will be available in early 2015. Adam enjoys reading, writing, and travelling. He believes the answer to world peace lies at the other side of the invention of a carb free, gluten free pizza base, is hairier than is strictly necessary, and lives in Shropshire, England with several dogs.
