**Arthur Miller: A Critical Study** By Christopher Bigsby

Christopher Bigsby explores all of Arthur Miller's work, including plays, poetry, fiction and prose, in this comprehensive study. Using previously unpublished and unknown material, including conversations with Miller, Bigsby paints a compelling picture of how Miller's works were influenced by, and created in the light of, events of the twentieth and twenty-first centuries.

## **Editorial Review**

### **Review**

'Bigsby's epic study is readable, comprehensive and profound. It's not a beginner's guide, and plot summaries rapidly give way to in-depth discussion, with brief biographical links rounding off each chapter. Given the massive task, the evidence of haste in some of the writing is excusable. This book is clearly a must not only for Miller fans, but for anyone wanting to know about the post-war struggles of the engaged artist - committed both to accounting for his life, and bearing witness to history.' *The Independent*

'... wide-ranging, indispensable study ... an in-depth account of everything Miller has written, including the voluminous variants of his work, his private papers and worknotes to which Bigsby has had access ...'.  
*Jewish Chronicle*

'A text of extraordinary thoroughness and insight. (it) is likely to remain the most sustained and penetrating examination of Miller's work for a long time to come.' *Theatre History Studies*

'... comprehensive and very thorough.' *Contemporary Review*

'While there is no shortage of books about Arthur Miller out there, this new study by Christopher Bigsby is surely one of the best and most valuable to date.' *MLR*

### **About the Author**

Christopher Bigsby is Professor of American Studies at the University of East Anglia.

## **Users Review**

### **From reader reviews:**

#### **Nancy Hartsell:**

What do you in relation to book? It is not important with you? Or just adding material when you want something to explain what the ones you have problem? How about your time? Or are you busy person?
