Polarizing the Case: Exposing and Defeating the Malingering Myth By Rick Friedman

With Rules of the Road Rick Friedman (with co-author Patrick Malone) changed the way thousands of plaintiff lawyers try their cases. In the process, he established himself as one of the nation's leading tacticians in the battle for civil justice. Now, with *Polarizing the Case*, Friedman teaches us not to fear allegations or insinuations that our client is malingering or exaggerating injuries. Instead he provides, in his own words, "a guidebook for wrapping the malingering defense around the neck of the defense lawyer and strangling him with it."
