Any Nurse Can (anynursecan) By Judith Smith Gatta R.N.

A book with a kit created by a nurse to help others start an agency from home.

Judith Smith Gatta ran a nursing agency from her home and she formatted all the forms and manuals needed to do this successfully and inexpensively. Some of the material is 1>application form 2>references form

3>physical and immunization form

4>proof of immunization 5>release of background information/ background check 6>Skills checklist

7>Medication test

8>Code of Ethics

9>Checkoff w/ copy of drivers license

10>copy of nurses license

11>proof of malpractice insurance

12>resume'

All these forms are needed when you interview with an independent contractor nurse on hiring.

This is just the begining of the forms. There is a policy and procedure manual, the book "Any Nurse Can", numerous tests for nurses in various fields, medication test, nursing care plans (various diagnosis) and this is only the begining!

Editorial Review

Users Review

From reader reviews:

Denise Welton:

What do you think of book? It is just for students because they are still students or the item for all people in the world, the particular best subject for that? Simply you can be answered for that concern above. Every person has different personality and hobby per other. Don't to be obligated someone or something that they don't need do that. You must know how great as well as important the book Any Nurse Can (anynursecan). All type of book could you see on many resources. You can look for the internet methods or other social media.

Larry Swartz:

Do you have something that that suits you such as book? The publication lovers usually prefer to select book like comic, brief story and the biggest an example may be novel. Now, why not trying Any Nurse Can (anynursecan) that give your satisfaction preference will be satisfied by reading this book. Reading practice all over the world can be said as the way for people to know world better then how they react in the direction of the world. It can't be explained constantly that reading behavior only for the geeky individual but for all of you who wants to always be success person. So , for all of you who want to start reading through as your good habit, you may pick Any Nurse Can (anynursecan) become your personal starter.

Mary Stockton:

On this era which is the greater particular person or who has ability in doing something more are more treasured than other. Do you want to become one among it? It is just simple approach to have that. What you have to do is just spending your time not very much but quite enough to enjoy a look at some books. Among the books in the top collection in your reading list will be Any Nurse Can (anynursecan). This book that is certainly qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking upwards and review this book you can get many advantages.

Domingo Adams:

That reserve can make you to feel relax. This particular book Any Nurse Can (anynursecan) was multi-colored and of course has pictures on the website. As we know that book Any Nurse Can (anynursecan) has many kinds or style. Start from kids until young adults. For example Naruto or Investigator Conan you can read and think you are the character on there. So , not at all of book are usually make you bored, any it offers up you feel happy, fun and rest. Try to choose the best book to suit your needs and try to like reading this.
