31 Days Before Your CCENT Certification Exam Second Edition
A Day-By-Day Review Guide for the ICND1 (100-101) Certification Exam

31 Days Before Your CCENT Certification Exam offers you a personable and practical way to understand the certification process, commit to taking the 100-101 ICND1 certification exam, and finish your preparation using a variety of Primary and Supplemental study resources.

With a CCENT (Cisco Certified Entry Networking Technician) certification, a network professional demonstrates the skills required for entry-level network support positions—the starting point for many successful careers in networking. CCENT is the first step toward achieving CCNA certification.

Sign up for the ICND1 exam and use the book's day-by-day guide and checklist to organize, prepare, and review. Each day in this guide breaks down an exam topic into a manageable bit of information to review using short summaries. A Study Resources section provides you with a quick reference for locating more in-depth treatment of a day's topics within the Primary and Supplemental resources.

The features of the book empower you to fit exam preparation into a busy schedule:

--Visual calendar summarizing each day's study topic
--Checklist providing advice for preparation activities leading up to the exam
--Description of the 100-101 ICND1 exam organization and sign-up process
--Strategies from the author to be mentally, organizationally, and physically prepared for exam day
--Conversational tone, which makes your study time more enjoyable
