## **Editorial Review**

Review

**"The creators behind *Sex Position Coloring Book: Playtime for Couples* have put a fun spin on position education. The 101 kinky illustrations in the book are surprisingly informative. While there is a touch of humor from the quirky names, like Thunder Down Under (shower sex) and The Hasselhoff (sex on the beach), the playful images are anatomically correct.. The humor makes the book perfect for making a bride blush at a bachelorette party. It's also a handy tool in your own bedroom."**
