Sex, Stories and Power Exchange: Adventures - And Lessons - Of A Naughty Power Exchange Couple By Dan and Dawn Williams

Is this book fiction? Nonfiction? Self-help? Porn? A love story? "All of the above"... Like some other couples, Dan and dawn whispered naughty stories to each other while in the bedroom and sometimes actually took the step to write them down, sharing them with each other for the erotic aspect of it. But one day, they decided 'Is this really something we want to do...and if so, will we still be ok?' This book is the adventures of a loving and erotic power exchange couple who decided to make their fantasies come true. It tells the stories of what they did (in story format!) as well as the lessons they learned on the way regarding love, jealousy, healthy group sex, mindfulness in lust, and more. Between each story they share the path they took to make sure they continued to be lovers, friends, and a healthy couple - while booming the sluts they fantasied about.
