“Don’t just teach your children to read..... Teach them to question what they read, Teach them to question everything.” --George Carlin.

Believing in this principle, the book endeavours to beautifully discuss about the concept of constructivism, Bruner’s constructivist theory, pedagogy of mathematics, 5E approach for constructivist learning, exemplary situation and lessons for teaching-learning of mathematics using constructivist approach. The book aims at providing an insight among the learning and teaching fraternity, associated with the mathematics and its pedagogy, to evolve and construct their own methods of better learning and teaching the mathematics as a subject.

Keywords: Constructivism, Bruner’s Constructivist Theory, Pedagogy of Mathematics, Instructional and Communication Technologies, 21st Century Teacher.
