The Legal Writing Handbook: Analysis, Research and Writing, 5th Edition

By Laurel Currie Oates, Anne Enquist

Students and professors will welcome this new edition of the only text for legal writing and research that covers all three key components of the first-year course -- research, writing, and analysis. These distinctive features earned *THE LEGAL WRITING HANDBOOK* its popularity: comprehensive coverage of analysis, writing, and research; teaches a state of the art approach to legal research, with an emphasis on electronic research; uses a process approach to lead students from pre-writing to drafting, editing, and the final draft; begins with the basics of the legal system, introducing students to how to read and analyze statutes and cases, then takes students through the process of writing an objective memorandum and trial and appellate briefs; offers resources to help students become more effective writers, including extensive guidance on effective legal style, grammar, and mechanics; demonstrates concepts through the use of examples; provides grammar and rhetorical/cultural information designed specifically for law students for whom English is a second language; broad coverage makes the book easy to adapt for two-, three-, or four-semester programs; provides numerous exercises in an accompanying Practice Book to help students master research and writing skills. Through painstaking editing, the Fifth Edition incorporates new material without increasing the length of the book: a reorganized and updated presentation of research reflects the changes in practice. Exhibits are now included on CD with the book, for easy reference. A new section on legal reading, the section on writing memos includes new examples and an additional chapter on writing more sophisticated memos; the increased use of Practice Pointers and Questions reflects the latest research on active learning, while the emphasis on teaching underlying structures applies research on transfer of learning new, short sections raise issues relating to professionalism and the role of lawyers; the chapter on effective paragraphs and the sections on Legal Writing for English-as-a-Second-Language Students and on bias-free and gender-neutral language are all thoroughly updated; new material offers advice on how to avoid procrastination and other writing obstacles.

From reader reviews:

Marjorie Ishee:

What do you think of book? It is just for students because they are still students or the idea for all people in the world, what best subject for that? Only you can be answered for that concern above. Every person has different personality and hobby for each and every other. Don't to be forced someone or something that they don't need do that. You must know how great in addition to important the book The Legal Writing Handbook: Analysis, Research and Writing, 5th Edition. All type of book is it possible to see on many sources. You can look for the internet sources or other social media.

Michael Brown:

Is it you actually who having spare time and then spend it whole day by watching television programs or just telling lies on the bed? Do you need something new? This The Legal Writing Handbook: Analysis, Research and Writing, 5th Edition can be the solution, oh how comes? It's a book you know. You are thus out of date, spending your free time by reading in this completely new era is common not a nerd activity. So what these guides have than the others?

Jennifer David:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this The Legal Writing Handbook: Analysis, Research and Writing, 5th Edition can make you really feel more interested to read.

Karina McDermott:

Reading a publication make you to get more knowledge from this. You can take knowledge and information from your book. Book is created or printed or illustrated from each source in which filled update of news. Within this modern era like at this point, many ways to get information are available for a person. From media social including newspaper, magazines, science book, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Are you hip to spend your spare time to spread out your

book? Or just looking for the The Legal Writing Handbook: Analysis, Research and Writing, 5th Edition when you desired it?
