**The Magic Question: How to Get What You Want in Half the Time** By Bart A Baggett

This is a scientific-based success methodology distilled down into its one easy and effective method. This simple method utilizes your own self-talk to create a more powerful and effective internal dialogue.

*The Magic Question* might sound too good to be true, but it's based on sound brain science and advanced linguistics. Best of all...it's easy to listen to and filled with fun stories. It has nothing to do with more effort, visualization, or even goal setting but can serve to powerfully enhance any of those things. It's about shifting your mind in the direction of happiness, success, and optimism...using the power of one question a day.

This system will quiet the negative voices that cause you to feel stuck and fearful while profoundly increasing the speed at which you manifest goals and desires. It's so easy that kids can do it.

Bart Baggett, internationally known speaker and thought leader in the fields of NLP and forensic handwriting analysis, explains one of his favorite personal success habits he developed over the past 20 years as a teacher and a person who wanted more. If you are a fan of neurolinguistic programming or other self-help tools, this one technique will enhance and increase the speed at which you see results. It is startlingly effective and so simple to learn that you could teach your children. Best of all...it's even fun to practice!
