In a world full of magic and mystery, eighteen-year-old Maia is the exiled princess of Comoros and rightful heir to the throne. Forced to live as a servant in her enemy's home, Maia flees her captors and begins a perilous quest to save her people. To survive, she must use magic she has learned in secret—despite the fact that women are forbidden to control it. Hunted by enemies at every turn, Maia realizes that danger lurks within her, too. Her powers threaten to steal not only her consciousness but also her sense of right and wrong. Can she set herself free and save the realm she loves—even if her people have forgotten her? In bestselling author Jeff Wheeler's fantasy epic, the answer may be only the beginning to Maia's journey throughout the mystical land of Muirwood.
