Becoming a Disciple-Making Church: A Proven Method for Growing Spiritually Mature Christians By Neil T. Anderson

Proven Methods for Turning Believers into Disciples

What does it mean to grow a "convert" into a "disciple"? And how do we help our people get there? Neil Anderson's Freedom in Christ ministry has been walking individuals through these steps for over a quarter century. Now he turns his attention to pastors and church leaders, teaching them how to help their people resolve personal and spiritual conflicts, including everything from difficult marriages to unrepentant sin to church disputes.

Before someone can mature spiritually, they must be established alive and free in Christ through genuine repentance and faith in God. This means churches must resolve their people's conflicts as the first step to discipleship, rather than referring them to professional counselors. We as believers have the answers for mental and emotional problems, and through this ministry of reconciliation true discipleship happens.

Editorial Review

From the Back Cover

Life-Changing Discipleship Can Be the Expectation, Not the Exception

As leaders, we want the people in our churches to become spiritually mature disciples of Christ, but so many remain stuck in struggles and sins. Personal and spiritual conflicts are holding them back from the true freedom that can be found in Christ alone.

Neil Anderson has been walking individuals through this journey for over a quarter century, but now he wants to teach pastors and church leaders how to do this for their own churches. As the culmination of his life's work, *Becoming a Disciple-Making Church* shows you how to help your people resolve conflicts--from difficult marriages to unrepentant sin to church disputes--through genuine repentance and faith in God. Rather than giving up or simply referring people to counselors outside the church, embrace the fact that God through His Word has answers to problems of the heart and mind. And in this ministry of reconciliation, true discipleship will happen.
