Law of Survival By Kristine Smith

A human-*idomeni* hybrid with a very bad reputation, former Captain Jani Kilian is out of hiding and officially a civilian. But peace is not an option. Suddenly an important player in the Commonwealth's delicate dealings with the alien *idomeni*, Jani has inadvertently incurred the wrath of top powers in politics, finance, diplomacy, and crime. Her war is not yet over, just moving to a higher plane. There's no truth to the timeworn adage that old soldiers never die; they *do*...and sometimes badly. Jani Kilian's come back to a new world that's not brave but definitely in peril. And "kill or be killed" is her only real choice...because now only one law remains.
