French Destroyers: Torpilleurs d'Escadres and Contre-Torpilleurs, 1922–1956 By John Jordan, Jean Moulin

Between the world wars, France produced some of the largest and fastest destroyers in the world. Known as *Contre-Torpilleurs*, these striking and innovative super-destroyers and the more conventional *Torpilleurs d'Escadre* are the focus of this book. The first part of the book covers the design of these ships, pairing the text with detailed data tables, specially-drawn plans and schemas, and photographs of the ships. The second half details the eventful careers of these ships and contains contemporary photographs and maps commissioned specifically for this book.
