Their Romeo-and-Juliet-level passion is the only thing Jude and Lucy agree on. That, and fighting all the time . . .

Also not helping? Lucy's raging jealousy of the cheerleader who's wormed her way into Jude's life.

While trying to hang on to her quintessential bad boy and also training to be the top ballet dancer in her class, Lucy knows something's going to give . . . soon.

How can she live without the boy she loves? How can she live with herself if she gives up on her dreams? If Lucy doesn't make the right choice, she could lose everything.

### Editorial Review

From the Back Cover

On again, off again. Together. Apart. The only thing Jude and Lucy agree on is their all-consuming love. That, and fighting all the time . . .

Especially when it comes to reining in Jude's trigger-touch temper and overcoming the tragedy that connects Jude's and Lucy's pasts. Also not helping? Lucy's raging jealousy of the cheerleader who's attached herself to Jude in almost every way possible. With the stress of trying to hang on to her quintessential bad boy while training to be the top dancer in her class, Lucy knows something's going to give . . . soon.

How can she live without the boy she loves? How can she live with herself if she gives up on her dreams? If Lucy doesn't make the right choice, she could lose everything.
