**The Spanish Inquisition: A Historical Revision, Fourth Edition** By Henry Kamen

Get Print Book

In this completely updated edition of Henry Kamen's classic survey of the Spanish Inquisition, the author incorporates the latest research in multiple languages to offer a new—and thought-provoking—view of this fascinating period. Kamen sets the notorious Christian tribunal into the broader context of Islamic and Jewish culture in the Mediterranean, reassesses its consequences for Jewish culture, measures its impact on Spain's intellectual life, and firmly rebuts a variety of myths and exaggerations that have distorted understandings of the Inquisition. He concludes with disturbing reflections on the impact of state security organizations in our own time.

### Editorial Review

#### Review

“Kamen’s 1965 *The Spanish Inquisition* set a standard of clarity and objectivity in a traditionally contentious field. This new edition, the fruit of 50 years of scholarship and meditation, corrects with hard facts and penetrating analysis many entrenched myths about Spain and her 350-year-long Inquisition. It will set the agenda for the next generation of Spanish intellectual historians.”—David Gitlitz, author of *Secrecy and Deceit: The Religion of the Crypto-Jews*

(David Gitlitz)

“Despite voluminous publication on the Spanish Inquisition over the past four decades, Kamen’s work remains the most accessible, comprehensive, and substantively argued English-language introduction to the Spanish Inquisition. Incorporating a significant amount of new scholarship that has appeared in the fifteen years since the publication of the last edition, this volume retains its place in an increasingly dynamic field of study, and is a welcome refreshing of arguments from a known voice in the field.”—Kimberly Lynn,

Western Washington University

(Kimberly Lynn)

#### About the Author

**Henry Kamen** is a fellow of the Royal Historical Society and a world authority on Spanish history. He lives in Greensboro, GA, and Barcelona, Spain.

### Users Review

#### From reader reviews:

##### Elaine Kistler:
