“Maggie Shayne reinvents romance!”

~The Literary Times

By dark of night and shining moon, Arianna, shovels earth from the center of an ancient and crumbling stone circle in her Scottish homeland. Five centuries ago, she buried her new husband here when an Immortal High Witch, one of the Dark Ones, took his mighty heart. But now she’s retrieved it. It beats, still, in the box where it has been imprisoned all this time. She intends to replace it, to bring him back to her. And that he died hating her, blaming her, is just something she’ll worry about later.

“Maggie Shayne delivers romance with sweeping intensity and bewitching passion.”

~NY Times Bestseller, Jayne Ann Krentz

This stunning sequel to ETERNITY takes us back to the 1500s in the Scottish Highland to tell the powerful love story of Arianna and Nicodimus, and its tragic end, then sweeps us into the present day, where that ending finds its chance to be re-written, but the evil that tore them apart lurks, waiting for a chance to destroy them both once and for all.

“One of the preeminent voices in paranormal romance.”

Setting: Scottish Highlands, 1511 to the present

Sensuality Rating: 6

Infinity introduces readers to Nicodimus Lachlan, an Immortal High Witch, and his soul mate for all eternity, Arianna. Nicodimus has spent five centuries in dormant suspension, having lost his heart in what he believes to be the ultimate act of betrayal. Arianna, alone for five hundred years, continues to search for the Black Witch who stole Nicodimus's heart and made her an unwitting pawn in his treachery. But once Arianna restores life to Nicodimus's body, can she as easily renew his broken faith in her and their love? When it appears that Nicodimus carries a hatred in his newly reclaimed heart that will last forever, Arianna must risk her life to prove her love and loyalty. Although some readers may find the use of the first person distracting, Maggie Shayne has produced a compelling story that is what all lovers seek--a love that spans infinity. --

From Publishers Weekly

The sequel to the successful *Eternity* follows Arianna Sinclair from the 20th century back to the 16th-century Scottish Highlands, where she realizes her powers as a witch. High warlock Nicodimus Lachlan arrives in the Highlands seeking peace and shelter from an enemy. There the immortal Nicodimus finds that Arianna, the golden child he has been observing for years, has turned into a beautiful and stubborn woman. They marry, but their honeymoon is disrupted when Nicodimus's enemy raids the village, killing everyone, including his wife. Now, having experienced her first death, Arianna discovers that she, too, is immortal, imprisoned by Nicodimus's enemy. Nicodimus rushes to Arianna's rescue but, misunderstanding her sly plan to rescue him, dies thinking she has betrayed him. Five hundred years later, Arianna is able to resurrect Nicodimus, only to find that he doesn't remember the love they once shared. Evil surrounds them again, but this time Arianna is determined to protect the man she loves, even at the risk of her immortal soul. Although skillfully written and action packed, this adventure does not live up to its more captivating predecessor. (Oct.)

From Library Journal

When Immortal High Witch Arianna's unintended betrayal causes the "death" of her equally immortal husband, she spends the next 500 years searching for the means to bring him back to true life; but her ultimate success rouses the dark forces and pits the pair against an ancient evil in a battle that at this time they must win. Complex, mystical, and occasionally chillingly graphic, this mesmerizing tale skillfully blends a classic High Fantasy theme with a sensual, poignant romance and creates a story that is emotionally satisfying enough to appeal to fans of both the fantasy and romance subgenres. Shayne (*Eternity*) is a popular, best-selling writer of paranormal and fantasy romances.
