KICK (Savage Saints MC Book 1) By Carmen Jenner

When I was ten, my father indoctrinated me into the family.

A brotherhood who would fight, protect, and give their lives for one another. A club whose ties ran thicker than blood, murkier than the dirt and grime that tainted my soul. Stronger than the bonds that connected me to my own family.

A band of brothers, where loyalty was kept and paid in a currency of blood.

When I was twenty-seven, I betrayed that brotherhood.

I've spent every day since running, avoiding paying back that debt.

My name is Daniel Johnson. I have betrayed everyone I ever loved.

And I'll betray her too.

This is my story—if you're screwed up enough to want to read it.

Warning: KICK contains graphic violence, profanity, drug use, and explicit sexual situations of a taboo nature. Intended for an 18+ audience only. Not intended for pussies.

Editorial Review

About the Author

Carmen Jenner is a thirty-something USA Today bestselling author, doctor, pilot and CIA agent. She's also a compulsive, flagrant prevaricator who gets to make things up for a living. While Sugartown may not technically exist, Carmen grew up in a small Australian town just like it, and just like her characters, she always longed for something more. They didn't have an Elijah Cade, though. If they did, you can be sure she would have never left.
