Gypsy Gossip and Other Advice By Thinley Norbu

This book contains the direct counsel and imperishable wisdom speech of Kyabje Thinley Norbu Rinpoche, one of the great realized Nyingma masters of our age. Many problems arise when modern values clash with the precious teachings of the Buddha. Western Dharma students are faced with obstacles born of materialism, attachment to self, and resistance to traditional doctrines like karma, rebirth, and devotion to the Guru, while Asian students under the influence of modernity risk succumbing to foreign nihilistic beliefs, the neglect of their own unique heritage, and sectarian conflicts between indigenous lineages. The four teachings assembled here address these troubles in different ways, which are united by the powerful quality of Rinpoche's voice as a writer and his ability to inspire deep faith that leads to the rekindling of Buddha nature and the flourishing of the Buddha Dharma through learning and practice with reverence and belief.
