Leven Thumps: The Complete Series By Obert Skye

Foo, the place between the possible and the impossible is a realm inside the minds of each of us. It is a place that allows mankind the power to hope and imagine and, most important, to dream. Leven Thumps, once an ordinary fourteen-year-old boy from Oklahoma, has a special gift that he is unaware of, a gift that could save the dreams of all mankind. Join Leven and his friends from Foo as they embark on an unFOOgettable journey!

Leven Thumps and the Gateway to Foo: Fourteen-year-old Leven Thumps is no ordinary boy, but that's exactly what Sabine and his dark shadows want him to believe. The evil forces know the fate of the world and the dreams of all mankind can be saved by only one boy with a powerful gift — a gift he has yet to understand or control.

Leven Thumps and the Whispered Secret: After escaping a deranged dream-master and destroying the hidden gateway, Leven Thumps and his band of travelers must now journey across Foo and restore Geth from his shape as a toothpick to the rightful king he once was. But Foo is still in chaos, and Leven must overcome several adversaries and survive the Swollen Forest in order to save his friends and keep hope alive. As fate would have it, nothing goes as planned, and even Geth begins to wonder if they will succeed. Bad goes to worse as Leven digs up a long buried secret — one that stalks him, determined to whisper a truth that could be deadly in the wrong hands. Through it all, Leven finds the courage to do what is right and continues to discover an inner strength and a power he never thought possible.

Leven Thumps and the Eyes of the Want: Hold on to your popcorn! In book three, the war to unite Foo and Reality has begun. Not only must Leven race across Foo to stop the Secret before the deadly truth is revealed, he must travel to the island of Lith, the home of the Want — the manic dreammaster who can give Leven the gifts he needs against a foreboding army of rants and other Foo beings

Leven Thumps and the Wrath of Ezra: The dreams of mankind are in grave danger as the Dearth, the true evil beneath the soil, rises above ground and slowly gains the strength he needs to defeat Leven Thumps. Leven, now the Want, is also gaining strength. Will he discover his new power before the Dearth finds him? Sycophant

Run is on the brink of war. The secret of how to kill sycophants is now more a threat than ever. Can Clover and the sycophants protect the only gateway to Reality now that they're so vulnerable. And speaking of Reality, Terry and Addy are about to join forces with a one-time janitor and the angriest, most confused toothpick alive — Ezra. What kind of power is raging inside that sliver of wood? Get ready to ride a Wave, release a Longing, find the Invisible Village, travel by rope, wrestle in chocolate, and, of course, dream the impossible! Join Leven, Winter, Geth, and Clover on the most unFoogettable adventure yet!

Leven Thumps and the Ruins of Alder: In the fifth and final volume of the epic saga of Leven Thumps, all of Foo is rushing madly to exit the realm of dreams while Leven is headed in the opposite direction. Fate snatches him to the island of Alder, where he is poised to pass or fail the final test.
