Editorial Review

About the Author
Lazaro (Laz) Diaz is a Network Engineer with over 13+ years in the IT field and in the teaching industry. He has taught at various colleges, vocational institutions and training centers in the US. These include; Palm Beach Community College, New Horizons, Florida Career College & The Academy of South Florida. Laz holds various Cisco & Microsoft certifications (i.e.: CCNA, CCNA Voice, CCNA Security, Security+, Network+, A+, MCTS, MOS & MCP). He has a passion for teaching and this is projected out to his students. In 2013 alone, Laz taught over 4K students worldwide in over 26 countries through his published video tutorials for the CCNA certification exam on UDEMY.com. This does not include the students that he has taught online and onsite through his "LIVE with LAZ" Bootcamps and Mini Courses for the CCNA. His name and teaching methodology has reached places like India, Africa, Israel, Finland, England, Hawaii and the continental US; where he has taught and prepared students for this particular Cisco certification. Laz teaches in an unconventional manner that is easy for students all over the world to understand. His style of teaching is fun, energetic and interactive. His method of teaching has become his trademark and is what sets him apart from the rest because he truly cares about his students and knows that through education he can prepare them for a better life. Laz is currently the President and Founder of "The Networking Doctors, Inc.", a training center that prepares students for both the Cisco & Microsoft certification exams. Laz teaches Cisco & Microsoft certification courses, both onsite and online to students around the globe!
