Captain Underpants and the Perilous Plot of Professor Poopypants By Dav Pilkey

The fourth book in Dav Pilkey's mega-bestselling Captain Underpants series. Now with super-cool foil covers! Shiny! Fun!

George and Harold aren't bad kids. They just like to "liven things up" for everybody. Unfortunately, their thoughtful jokes sometimes get them into a LOT of trouble. And when Professor Pippy P. Poopypants becomes their new science teacher...well, George and Harold almost cause the entire planet to be taken over by a maniacal, mad-scientist guy in a giant robot suit! Who will stop the perilous plot of Poopypants?!?!? This looks like a job for Captain Underpants!

Editorial Review

Amazon.com Review

In the fourth "epic novel" by the wildly popular Dav Pilkey, young troublemakers George and Harold are back with Mr. Krupp, the Jerome Horowitz Elementary principal they previously transformed into the superhero Captain Underpants with their 3-D hypno ring. This comic adventure begins in New Swissland, where everyone has a silly name. ("Just ask their president, the Honorable Chuckles Jingleberry McMonkeyburger Jr. or his lovely wife, Stinky.") New Swissland, just southeast of Greenland, is the home of the inventor of the Shrinky-Pig 2000 and the Goosy-Grow 4000--Professor Pippy P. Poopypants. When the professor decides to pitch his inventions in the United States, he is laughed out of every institution of higher learning because of his unusual name. Frustrated, he decides to become an elementary school science teacher where the innocent children will, he assumes, be accepting and loving.

This is where his world collides with George and Harold's, who are not accepting of his funny name, but instead explode with laughter and promptly craft a new comic book called "Captain Underpants and the Pied Pooper of Piqua." This hilarious book will crack Pilkey fans up with tiny toilets of truth, evil gerbils, and even Cher's greatest hits. (The children--not notoriously good spellers--note: "All animal cruelty was simulated. No actual girbles were forced to listen to Cher.") And what becomes of Professor Poopypants? He gets even, devising a method to convert all names into silly names. He creates a chart in which everyone has to use letters from their own first and last names to create a madcap moniker. In the end, George and Harold learn that it's not nice to make fun of people: "'Wow,' said Harold. 'I think this is the first time one of our stories ever had a *moral*!' 'Probably the last time, too,' said George. 'Let's hope so,' said Harold." --*Flunky Pizza Chunks* (Ages 8 to 12)

From School Library Journal

Grade 2-4-Pilkey again features the absurd faculty members of Jerome Horwitz Elementary School and introduces a new science teacher when troublemakers George and Harold drive Mr. Fyde into retirement. Professor Pippy P. Poopypants is a great, but frustrated scientist whom no one takes seriously because of his name. He is certain that the "sweet, innocent" children won't laugh at his unusual appellation. Needless to say, they do, and in so doing, incur a wrath that only Captain Underpants can tame. With its bathroom humor, madcap pranks, gross adventures, mini-comic strips, and flip-book pages, this rollicking laugh-out-loud cartoon story is certain to be a hit, especially with reluctant readers.

You knew he'd be back. Yes, Captain Underpants, aka Mr. Krupp, principal of the Jerome Horwitz Elementary School, has returned, as have his enablers, students George and Harold. The plot? Suffice it to say Underpants must combat a scientific genius named Professor Pippy P. Poopypants. Poopypants goes mad when the students at Horwitz laugh at his name. (When they find out his middle name is Pee-pee, they get downright hysterical, as will readers, no doubt.) Mixed in with the minimal story is Pilkey's comic book^style artwork; some of the pages even make a "cheesy" flip book to animate the action. Silly, gross-out fun for Captain's legion of fans. *Ilene Cooper*
