Unexpected (A Silver Creek Romance Book 1) By Maisey Yates

After spending another family wedding fielding questions about her non-existent love life, Kelsey Noble decides she's tired of waiting around for things she could go out and get herself. What Kelsey wants is a baby, and she doesn't see any point waiting for a husband she's not even sure she wants. But a mix-up at the fertility clinic lands her with a hassle she didn't count on. A big, muscular hassle in a Stetson and cowboy boots.

Cole Mitchell is shocked to discover that a grand gesture from years past has come back to haunt him. Now, thanks to a clerical error, a woman he's never met is having his baby—and there's no way he's going to walk away and forget he has a child.

Trying to make nice with the unexpected father of her baby lands Kelsey in Silver Creek, Oregon, dealing with the kind of small town life she left behind years ago. Even worse is dealing with the burning attraction she feels for Cole. She knows adding sex to the mix is a very bad idea, but she's not sure how long she can resist falling for the last man she ever expected...

Includes a preview of Maisey Yates' novella, *Unbuttoned*.

Praise for UNBUTTONED:

"I loved *Unbuttoned* by Maisey Yates in a big way....I love a feisty heroine and a charismatic hero, especially when they clash. The scenes where they duked it out verbally, all the while undressing each other mentally, were so delicious....Lots of fun."—Smart Bitches, Trashy Books

"A sexy, compelling read.... it's a great start to what looks to be a promising new small-town contemporary series and has introduced me to a new-to-me author who writes enjoyable characters with great emotional depth, witty dialogue, and steamy love scenes."—Ramblings From This Chick

"Maisey Yates is a very talented author and has created the perfect small-town romance about two people that found love once they learned to take a leap of faith.... I can't wait to see what is in store for the residents of Silver Creek."—Books-N-Kisses
