INSTANT WALL STREET JOURNAL BESTSELLER

What if you could, with a little effort, live an extraordinary life? A life in which you felt deep passion for everything you did, and always had time for what matters most? A life in which you had the power, the daring, and the will to make your boldest dreams come true, all while you happily left feelings of inadequacy or guilt behind?

It is possible to take your life from ordinary to extraordinary. The secret? Cultivating the entrepreneurial spirit inside you – the spirit that allows you to embrace your individuality, to look not just at what is but at what could be, to believe in yourself beyond reason and to step up to creating *your own* definition of happiness and success - a version of success in which work and family life happily co-exist - instead of chasing a cookie-cutter version.

Here, Jessica Herrin, serial entrepreneur and founder and CEO of the Stella & Dot Family Brands, shows how the classic traits of successful entrepreneurs are ones *each one of us can develop* – and use not only to create a company, but also to create an extraordinary life. Whether we work a corporate job, run a family, or run our own business, Herrin offers realistic, attainable steps each one of us can take to achieve extraordinary success *on our own terms*. Through candid and inspiring lessons from her life as a successful CEO and working mother of two, as well as stories of many amazing individuals she’s met along the way, Herrin inspires and empowers us to dial up the sound of our own voices and make our authentic dreams a reality.

This book isn’t about having it all; it’s about having what matters most *to you*. It is about how to find *your* extraordinary – your extraordinary career, your extraordinary happiness, your extraordinary life.
