Canine and Feline Endocrinology and Reproduction, Third Edition By Edward C. Feldman DVM DACVIM, Richard W. Nelson DVM

This book provides complete, current information on pathophysiology, diagnosis, and treatment of endocrine, metabolic, and reproductive diseases in dogs and cats. It also discusses the importance of testing procedures in endocrine and reproductive diseases, as well as cost-effective and expedient diagnostic protocols.

- A complete review of reproduction is presented with the endocrine material, making this text the most inclusive resource overall on the topic.
- Expansive sections on Canine Male and Female Reproduction.
- The book is divided into nine sections for an organized and accessible approach to information.
- Discussions of testing procedures in endocrine and reproductive diseases.
- Explains cost-effective and expedient diagnostic protocols.
- Logical, step-by-step guidelines aid in accurate decision-making and diagnosis.
- A new chapter in the Adrenal Gland section (Section 3) addresses feline hyperadrenocorticism.
- The chapter on diabetes mellitus in the canine and feline has been divided into two chapters in order to explore the specific aspects of the disease in each species.
- All material has been extensively revised and brought up to date for this edition.
- Additional tables and algorithms throughout the book summarize and clarify information.

Jacki Peters:

Playing with family in a park, coming to see the water world or hanging out with pals is thing that usually you will have done when you have spare time, after that why you don't try issue that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Canine and Feline Endocrinology and Reproduction, Third Edition, you are able to enjoy both. It is very good combination right, you still wish to miss it? What kind of hang type is it? Oh can happen its mind hangout folks. What? Still don't obtain it, oh come on its identified as reading friends.

Eugene Meunier:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Canine and Feline Endocrinology and Reproduction, Third Edition can make you truly feel more interested to read.
