Editorial Review

From Library Journal

These are two decorative craft books from authors with considerable track records. Cagle, with 14 books and articles in *Good Housekeeping* and *Redbook* to her credit, here presents 31 projects applying fruit and flowers to baskets, birdhouses, boxes, kitchenware, and planters. Surface preparation, transfer patterns, painting, and glazing methods are covered in a glossy format. Wellford narrows her focus to painting only animals, and painting them only on rocks. Her first book on this topic (*The Art of Painting Animals on Rocks*, North Light, 1994) sold a remarkable 85,000 copies. These cute skunks on rocks, toads on rocks, mice on rocks, and cheese on rocks are fun and easy. Both books are recommended for popular craft collections.
