**Game of Thrones: The Noble Houses of Westeros: Seasons 1-5** From imusti

## **You Win or You Die.**

In the seven kingdoms of Westeros, an intricate and perilous game is being played out among its participants, the great and noble houses. Alliances are formed, wars are waged, kings are murdered, and new monarchs are crowned.

*Game of Thrones: The Noble Houses of Westeros Seasons 1–5* serves as a guide to the key houses as their constant struggle for power persists and as the hierarchical structure of the kingdom evolves. The book is filled with essential information including each house's sigil, history, home, family tree, character profiles, and is fully illustrated with series photography throughout.

## **Editorial Review**

Review

“The simmering tensions between Starks and Lannisters alike are outlined in detail, covering the events of the HBO show through its first five seasons. It's a helpful tool for fans aiming to brush up their knowledge of the legacies left behind by fallen houses and the legends in the making from those who are still alive — and it provides insight into some of the show's most game-changing twists, too.”
