The Kill List: Max Morgan Series - Book One By Randy H. Church

When Max Morgan retired from the Army after twenty five years he wondered what an ex sniper like himself would do to keep busy. One day he read about an opening the CIA had for the position of sniper for their, “Kill List,” and he applied for the position. He knew the competition would be fierce so he was surprised when he received a letter saying he was being considered for the position, but first he had to,” audition,” for the position. If he successfully killed the targets he was instructed to kill he would get the position. What he didn’t know was that it wasn’t the CIA that sent him the letter. The letter was sent by a guy who came up with his own Kill List and used Max to do his murder by proxy. And one of the people he had Max kill will absolutely shock you.
