The Holocaust: Roots, History, and Aftermath By David M. Crowe

The Holocaust: Roots, History, and Aftermath

takes a fresh, probing look at one of the greatest human tragedies in modern history. Author David M. Crowe begins with a detailed overview of the history of the Jews, their two-millennia-old struggle with a larger Christian world, and the historical anti-Semitism that created the environment that helped pave the way for the Holocaust.

But it would take more than traditional prejudices to bring Europe to the edge of the *Shoah*. It would take someone like Adolf Hitler, who blended his own hatred of the Jews with contemporary ideas about eugenics, Aryan racial superiority, and German nationalistic frustration with the post-1918 Weimar democratic experiment, to bring to life the Nazi racial policies that led to the Final Solution—the mass murder of all of the Jews in Europe. Crowe analyzes the complex origins and evolution of these policies not only toward the Jews, the Nazis' principal victims, but also toward the Roma, the handicapped, and other groups deemed racial or biological threats to Hitler's goal of creating an Aryan-pure Europe. He discusses the spread of these policies in Germany as well as throughout Europe and concludes with a detailed discussion of liberation, Displaced Persons and the founding of Israel, the major war crimes investigations and trials, and continuing international efforts to bring Nazi war criminals to justice.

Editorial Review

Review

“A work of exceptional breadth, clarity and rich detail that will engage beginning students and will be an invaluable resource for advanced students seeking a synthesis of the complex history of the Holocaust. This outstanding text is shaped equally by brilliant pedagogical organization and meticulous scholarship.”

—**Marilyn J. Harran, Professor of Religious Studies and History; Director, Rodgers Center for Holocaust Education, Chapman University**

“Professor Crowe has produced a compelling and up-to-date history of the Holocaust, one that is clearly written and comprehensive. He begins by examining the origins of the ‘longest hatred’ of the Jews, proceeds to carry the reader through the subsequent horrors of the persecution, and ends with the war crimes trials of the perpetrators. Students will be in his debt.”

—**Karl A. Schleunes, University of North Carolina at Greensboro; author of *The Twisted Road to Auschwitz and Legislating the Holocaust***

About the Author

David M. Crowe is President Emeritus of the Association for the Study of Nationalities at Columbia University and a member of the Education Committee of the United States Holocaust Memorial Museum in Washington, D.C. He is currently a Fellow at the Center for Slavic, Eurasian, and East European Studies at the University of North Carolina at Chapel Hill. His award-winning books include *A History of the Gypsies of Eastern Europe and Russia* and *The Baltic States and the Great Powers: Foreign Relations, 1938-1940*. He teaches at Elon University and its school of law.

Users Review

From reader reviews:

Elizabeth Ashton:

Nowadays reading books be a little more than want or need but also become a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book which improve your knowledge and information. The details you get based on what kind of e-book you read, if you want drive more knowledge just go with education books but if you want feel happy read one along with theme for entertaining for example comic or novel. Typically the *The Holocaust: Roots, History, and Aftermath* is kind of book which is giving the reader capricious experience.
