**Practical Lean Leadership: A Strategic Leadership Guide For Executives** By Bob Emiliani

Practical Lean Leadership: A Strategic Leadership Guide For Executives is the first book to present Lean leadership in ways that are specific and actionable for executives to apply at work every day. It links Lean principles and tools directly to leadership beliefs, behaviors, and competencies in new and innovative ways that connect to workplace and marketplace realities. It goes far beyond the common understanding of leadership and the training methods used for leadership development. The workbook can be used individually or by a leadership team in self-paced group training. Senior managers will be inspired by the proven approaches to improving their understanding and practice of strategic leadership.

### Editorial Review

#### Review

"Bob Emiliani is addressing THE most important problem facing organizations trying to make Lean work; the role of the executive leadership. This workbook provides sound methods to assist managers understand their role and put it into practice. This is workbook and it requires some work, but the workbook format is very helpful to move these methods from ideas into the daily practice of Lean leadership." -- *Brian Maskell, President, BMA Inc. and co-author of Practical Lean Accounting*

"*Practical Lean Leadership* explains key aspects of enterprise leadership and then takes it several steps further by applying Lean principles and tools to leadership itself. An effective model is created by understanding behavioral waste and by applying value stream mapping and standardized work in totally new contexts. The workbook format engages the reader and immediately connects to their reality." -- *Kevin Meyer, President, Superfactory Ventures, LLC.*

"Emiliani addresses the most prevalent and misunderstood aspects of transforming an enterprise to Lean management. He presents the roadblocks and explains how to overcome them in a systematic manner. This workbook will move senior managers to improve their leadership and the business for the better." -- *James Huntzinger, author of Lean Cost Management*

"This book is the definitive primer for anyone considering a Lean transformation. It is an excellent review for existing Lean leaders to ensure that their approach, leadership, and guidance to their teams are consistent with the Lean principles they espouse." -- *Thomas Goetter, Vice President, The Bilco Company*

"This is a 'must read' book for all senior leaders. It is very well written for the C-level team and it fills a gap on how executives should lead a Lean transformation. It truly is the best description of Lean leadership today. I highly recommend it." -- *Edward Miller, President, Strategy Development Services, LLC*

#### From the Publisher

In *Practical Lean Leadership: A Strategic Leadership Guide for Executives*, Bob Emiliani presents innovative and proven approaches to understanding and practicing Lean leadership in an easy-to-follow workbook format.

*Practical Lean Leadership* is the first book to capture the essence of Lean leadership in ways that are specific and actionable for executives to apply at work every day.

It links Lean principles and tools directly to leadership beliefs and behaviors in new and innovative ways that connect to the realities of the workplace.

Senior managers will be inspired by the new approaches to understanding strategic leadership and leadership development contained in *Practical Lean Leadership*.

#### From the Author

This is the first workbook of its kind. It goes well beyond leadership behaviors and drills down into

leadership beliefs because that is where the core issues lie which make Lean leadership such a challenge for most managers. In addition, *Practical Lean Leadership* breaks down the hard skills/soft skills divide and is explicit in its presentation of how executives must think and what they need to do every day in order to deepen their knowledge and practice of Lean management and reinforce the thinking. It will help managers overcome difficulties in their efforts to become Lean leaders and also help them better understand and practice the "Respect for People" principle.

## **Users Review**

### **From reader reviews:**

#### **Lawrence Gregory:**

Book is definitely written, printed, or illustrated for everything. You can know everything you want by a guide. Book has a different type. We all know that that book is important thing to bring us around the world. Next to that you can your reading skill was fluently.
