Editorial Review

Amazon.com Review

Whoever said eavesdroppers never hear anything good was never privy to the titillating conversation Spenser Heatherington, Lord Beecham, overhears at a party. But then, there's nothing retiring or at all usual about Helen Mayberry, daughter of eccentric Lord Prith. Helen is a statuesque blue-eyed, blond Aphrodite who owns her own inn and has read everything academic and otherwise on the art of discipline. An inveterate womanizer, Heatherington determines--based on a conversation he wasn't supposed to hear--that he would love to teach Helen what he knows about the subject and maybe learn something new in the process. When Helen tells Heatherington that she wants him for her partner, he wholeheartedly agrees but is dismayed when she further explains that she needs his skill to help locate a mythical golden lamp rumored to make its possessor all-powerful. But both are overwhelmed by their responses to each other--a passion that cannot be denied--in the middle of a fox hunt, in a rundown shack, on the floor of her father's study.... Marked by *The New York Times* bestselling author Catherine Coulter's trademark wit and sensuality, *The Courtship* is a keeper! --Alison Trinkle

From Publishers Weekly

Set in Regency England (though not a Regency romance), Coulter's latest historical novel describes, with delectable humor and sexuality, the romance between the beautiful Lady Helen and the Spenser Heatherington, Lord Beecham. A libertine, Spenser has vowed that he won't marry and produce an heir until just before he's ready to meet his maker. But his resolve wavers when he meets Helen, an inn-keeper who enchants every man she meets. At first, Helen would rather have Spenser as her partner than her lover, but she soon changes her mind. Helen's powerful discipline not only engenders great enjoyment for her and Lord Beecham in the bedroom, but in less steamy situations provides levity for the reader. In addition, a mystery subplot--concerning what might have happened to Aladdin's Lamp had the Knights Templar brought it back to England during the realm of Edward I--is intermixed with the love story. The novel reintroduces several beloved characters from Coulter's *The Sherbrooke Bride* and *The Hellion Bride*, who add to the droll good times. Coulter's romances may sometimes miss the mark, but she's in top form here, with a good-guy hero in pursuit of a worthy heroine. Readers will wish them years of delightful torment, silk cravats and all. (Jan.) Copyright 1999 Reed Business Information, Inc.

From [Booklist](#)

Spenser Hetherington of *The Sherbrooke Bride* (1992) and Helen Mayberry of *Mad Jack* unite in their own romping romance. Overhearing Helen's conversation about "discipline," Spenser is fascinated with this "big girl," who is almost as tall as his strapping 6'3". Meeting her at the Sherbrooke's home, he discovers that she was plotting to meet him to lure him into partnership on her quest to unearth Aladdin's lamp by interpreting an ancient scroll. A scholarly cleric helping them with the translation of the scroll is found murdered, and soon it seems that they are in grave danger. Their incessant sexual encounters are put on standby when the rakish Spenser decides to withhold his favors from Helen until they are wed, even though a seemingly insurmountable obstacle stands in their way. This is a sexy but average Coulter Regency-era romance, which holds appeal for readers who relish the subgenre, but is unlikely to win her new fans. *Diana Tixier Herald*

Users Review

From reader reviews:

Karl Harms:

What do you concentrate on book? It is just for students since they are still students or that for all people in the world, what the best subject for that? Just you can be answered for that problem above. Every person has distinct personality and hobby for each and every other. Don't to be forced someone or something that they don't need do that. You must know how great in addition to important the book The Courtship. All type of book could you see on many resources. You can look for the internet methods or other social media.

Michael Johnson:

This book untitled The Courtship to be one of several books that best seller in this year, honestly, that is because when you read this e-book you can get a lot of benefit onto it. You will easily to buy this book in the book retail store or you can order it through online. The publisher in this book sells the e-book too. It makes you quickly to read this book, as you can read this book in your Cell phone. So there is no reason for your requirements to past this publication from your list.

Jordan Sena:

Your reading sixth sense will not betray anyone, why because this The Courtship reserve written by well-known writer who knows well how to make book which can be understand by anyone who have read the book. Written with good manner for you, still dripping wet every ideas and composing skill only for eliminate your personal hunger then you still doubt The Courtship as good book but not only by the cover but also by content. This is one guide that can break don't ascertain book by its include, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your studying sixth sense already said so why you have to listening to another sixth sense.

Emma Lavigne:

As we know that book is vital thing to add our information for everything. By a publication we can know everything we would like. A book is a pair of written, printed, illustrated or maybe blank sheet. Every year seemed to be exactly added. This e-book The Courtship was filled concerning science. Spend your extra time to add your knowledge about your scientific research competence. Some people has several feel when they reading any book. If you know how big advantage of a book, you can feel enjoy to read a e-book. In the modern era like at this point, many ways to get book that you simply wanted.
